TRI-FOLD COVER

Attention

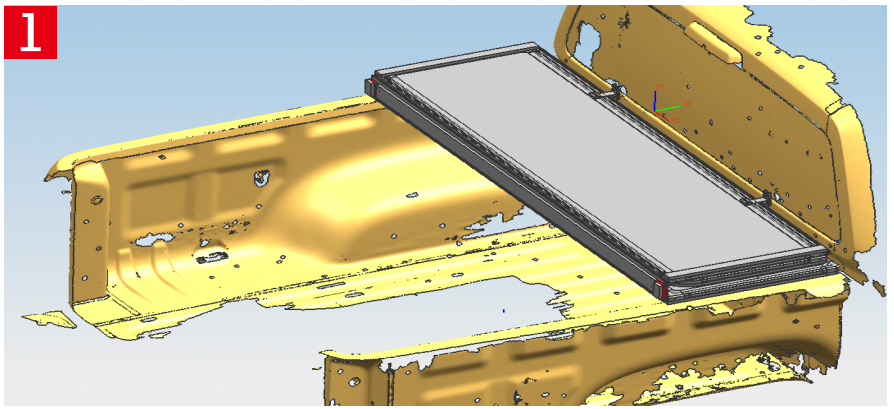

1.Please read this installation guide thoroughly before proceeding. Ensure your vehicle is properly protected to avoid potential scratches.

2.For safety, periodically re-tighten all hardware after installation.

3.The installation images are for reference only. Actual parts may differ slightly from the images, but this will not affect the fit.

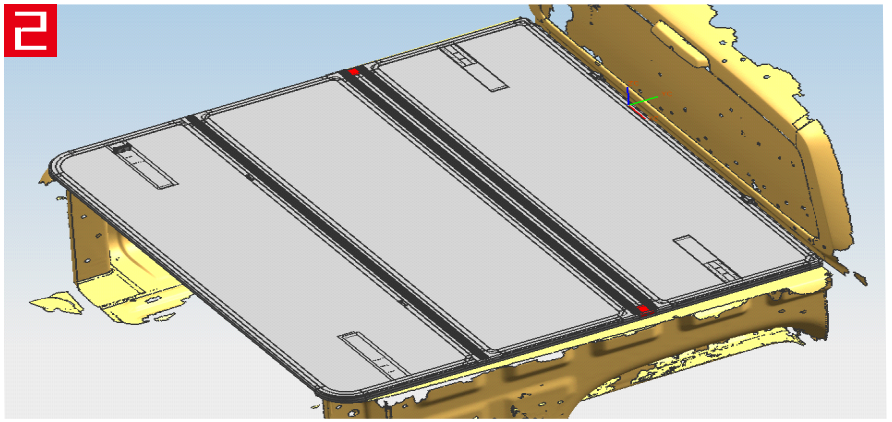

INSTALLATION

1

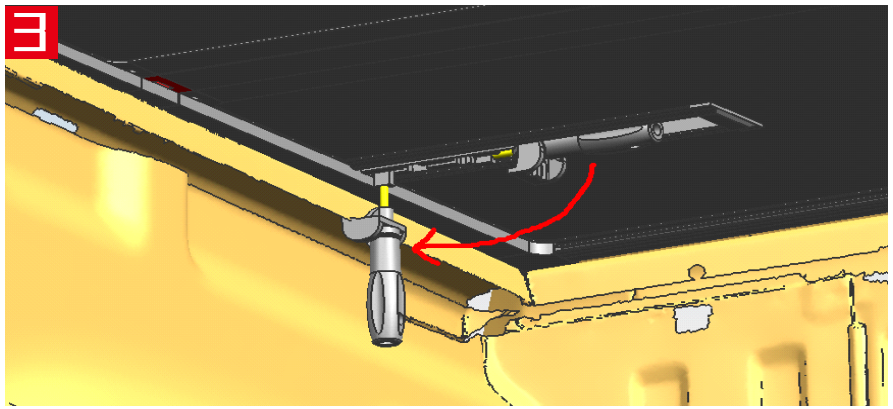

Refer to the image below. Place the tri-fold hard cover on top of the truck bed. Adjust the cover to ensure it is centered, with equal spacing on both the left and right sides.

2

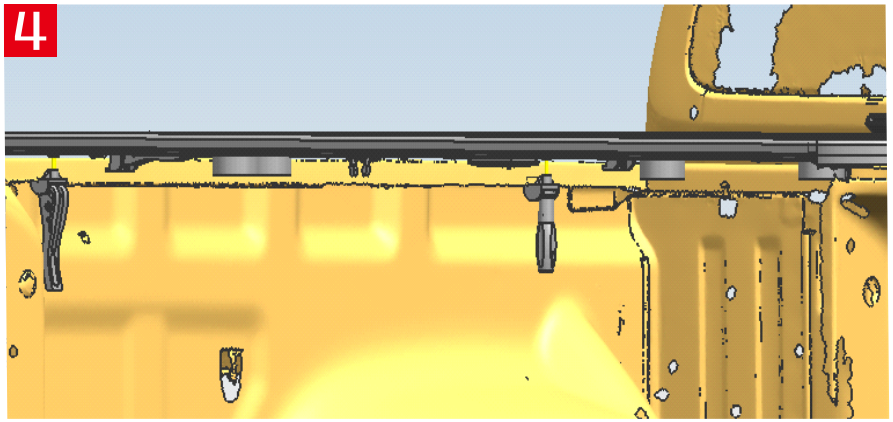

Expand the cover as shown in the reference image.

INSTALLATION

Lock the cover in place on the truck bed,following the steps in the image

Once secured,the fitment is finished. The installation processissimple and straightforward
